

Golf Southland AGM

The Golf Southland AGM was held recently and we thank all clubs for your attendance and input.

The occasion was a special one for former Golf Southland Chair Robyn Boniface who, after spending decades of her life devoted to supporting the game of golf, was awarded a Golf Southland Life Membership, joining just two others in receiving such an award.

Robyn has now stepped down from the Board and her dedication, commitment and input will be sorely missed.

Golf Southland is very pleased to welcome Liam Balneaves onto the Board. Liam was the Junior Development Manager, and is a regular in the Southland men's representative team, so brings great knowledge, experience and perspective.

Southland Selectors required

Golf Southland is seeking expressions of interest from anyone interested in joining its Men's Selection Panel. Applicants should have a good understanding and general interest in the development of golf to provincial level and an avid passion for provincial pride but cannot be a current Senior representative player. If you, or anyone within your club, is interested, please contact Golf Southland on 03 931 0082 or email admin@golfsouthland.co.nz for more details.
